

League Statement on Claims of Voter Fraud

Washington, DC – The League of Women Voters president, Chris Carson, issued the following statement in response to the unsubstantiated claim from the White House that millions of illegal votes were cast in the past election:

“President Trump is calling for a major investigation into voter fraud – in an election that he won! We know that widespread voter fraud is a myth perpetuated to push election laws that restrict voting. We cannot allow false claims to drive policies that will limit participation in our election process. There is no need for an investigation into a nonexistent problem. The issue has been studied and put to rest.”
